~Savings Maximiser

Information and interest rates are current as at the date of publication and are subject to change.

The additional variable rate currently 1.30% p.a. (that is added to the Savings Maximiser standard variable rate) applies on one nominated Savings Maximiser per customer for the next calendar month when you also hold an Orange Everyday account and in the current calendar month you do the following:

- deposit at least \$1,000 from an external bank account to any personal ING account in your name (excluding Living Super and Orange One), and
- also make at least 5 card purchases[^] that are settled (and not at a 'pending status') using your ING debit or credit card (excluding ATM withdrawals, balance enquiries, cash advances and EFTPOS cash out only transactions)
- ensure that the balance of your nominated Savings Maximiser account at the end of the month (excluding interest) is higher than it was at the end of the previous month.

Each customer can nominate a maximum of one Savings Maximiser account (either single or joint) to receive the additional variable rate (where eligible). You can check and change your nominated Savings Maximiser account via online banking or by calling us on 133 464. If no nomination is made, the additional variable rate (where eligible) will be applied to an account nominated by ING at its sole discretion.

Any amounts above \$100,000 are subject to the Savings Maximiser standard variable rate applicable at the time. If you do not satisfy the conditions to receive the additional variable rate, the standard variable rate applies. ING can change or withdraw the additional variable rate at any time. The additional variable rate is not payable in conjunction with any other promotional rate.

[^]Card purchases includes in store credit or EFTPOS purchases, online purchases, regular card payments, payWave, Apple Pay, and Google Pay transactions made with an Orange Everyday Visa card, Orange One Low Rate or Orange One Rewards Platinum Visa card or Nil Interest Visa card provided with an eligible ING home loan. When using the

phrase 'settled' card purchases in a calendar month, we mean that the purchases made on your card must be fully processed by the end of the last day of that month. Card purchases made in store or online this current calendar month which are at a 'pending status' and do not settle until the next calendar month do not count towards the 5 card purchases needed this current calendar month.

When determining if you are eligible under the offer, we also take into account the behaviour of any of your joint account holders or additional cardholders.

***Living Super - Cash Hub Minimum Balance Requirement**

You must maintain a minimum balance in your Cash Hub at all times, to pay for transactions such as insurance premiums, pension payments, fees and other costs. The Cash Hub minimum holding requirement is \$500, plus 1 cent for every dollar of your account balance between \$50,001 and \$1,000,000, plus any insurance premiums, pension payments, and/or fees due to be paid in the following two months.
